## artisan ice cream

At Ricketts Point we are dedicated and passionate about creating the most delicious ice cream, sorbet, frozen yoghurt and gelato.

Crafted in small batches with an unrivalled sense of detail, our products are made from the highest quality ingredients; certified organic, full cream dairy milk, local, lush, seasonal fruits and vegetables. Where possible we choose organic because it tastes great, it's healthier and environmentally sustainable.

Ricketts Point artisan ice cream can be found in cafes, bars, restaurants, gastronomic pubs, dining halls, reception centres and major hotels throughout the Melbourne food and wine scene. You will also find us working alongside leading wineries, producers and growers in the Mornington Peninsula, the Yarra Valley and beyond.
